Dear Friends,

Congratulations to the YU Torah MiTzion Beit Midrash Zichron Dov for all of its work these past seven years for the Toronto Jewish community. BAYT has been the direct beneficiary of so many of the Beit Midrash's talented rabbis. For the past five years, our rabbinic assistant has been a Kollel member, starting with Rabbi Ezra Goldschmiedt, then Rabbi Josh Gutenberg, and now Rabbi Jonathan Ziring. Each one has been a star in his own right.

The Rosh Kollel, Rabbi Torczyner, a member of our shul and community, contributes regular shiurim and special continuing education courses for both doctors and lawyers. He and Rabbi Ziring regularly give the daf yomi shiur on Shabbatot and Chagim. Both rabbis teach in both formal and informal settings and enrich the community immensely.

The BAYT is so fortunate to have had these additional rabbinic resources available to us, due to the good graces of the YU Kollel's outstanding talent.

We look forward to many more years of this fruitful partnership. Thank you to Rabbi Torczyner and the rest of Beit Midrash for all that you do, and may Hashem bless you with continued bracha and hatzlacha.

Best wishes,

Rabbi Daniel Korobkin
