On behalf of the Beth Lida Forest Hill Synagogue, it is my honour to commend the YU Torah MiTzion Beit Midrash Zichron Dov for its tremendous dedication to teaching Torah throughout the Toronto Jewish community. In particular, the programs of the Beit Midrash often focus upon topics of great relevance and interest to the broader community.

We at Beth Lida have had the pleasure of frequently hosting Rabbi David Ely Grundland, one of the honourees at this year's Evening of Tribute. His warmth and scholarship are among his most shining attributes, and we thank the Beit Midrash for sharing him with us. We look forward to a continued, successful partnership with the Beit Midrash in the years ahead.

Behatzlacha Rabbah in all of your endeavours,

Eshai Hirshberg
President
