

סיון תשע"ו

Dear Friends:

It is my pleasure to congratulate Rabbi Mordechai Torczyner and the members of the YU Torah MiTzion Beit Midrash Zichron Dov, for their outstanding work and exceptional devotion to the spiritual and educational growth of our community.

We at Congregation Bnai Torah, are very appreciative of the many lectures and Shiurim given by the members of the Beit Midrash . From the Midreshet Yom Rishon programs, to the meaningful Shabbatonim and the inspiring Shavuot afternoon programs we are indeed grateful for their service. All of us have fond memories of the wonderful Shiurim and programs given by Hillel Horovitz, who served as Rabbinic Assistant at our Shul.

May you continue to go from strength to strength.

Sincerely,

Yirmiya Milevsky
