Hashem Imachem

Bnei Akiva is a proud partner of the Yeshiva University Torah MiTzion Beit Midrash Zichron Dov.

Education is at the heart of our movement, and the Beit Midrash – with our shared values and commitment to the Torah – complements our goals. In particular, we have benefited from joint learning initiatives, such as the Yom Hazikaron project to learn in memory of a fallen soldier or victim of terror, and our programs have been enhanced by the brilliant scholarship of the Beit Midrash at our weekly Monday Night Learning program and annual Tikkun Leil Shavuot.

The unique talent of the members of the Beit Midrash is evident by their comfort in sharing Torah with any age. It has been beautiful to see them sit among the participants at Moshava Ba'ir Toronto, visibly inspiring the campers and leaders alike.

We look forward to a continued partnership *lehagdil Torah uleha'adira*, to magnify Torah and bring glory to its name.
