

RABBI YEHOShUA WEBER  
*rabbi*

RABBI YITZCHOK KERZNER  
*rabbi emeritus*

The Rav, the Executive, and the membership of קהל מהזיקי הדת, Clanton Park Synagogue, are honoured to pay tribute to Mr. Alan Litwack and Mr. Steven Roth and their families on this auspicious occasion.

We would also like to recognize the efforts of Rabbi Mordechai Torczyner and the members of the Yeshiva University, Torah Mitzion Beit Midrash Zichron Dov. In a world of intellectual compartmentalization, the Beit Midrash members can discuss anything from classic Torah texts to contemporary thought with reason and balance, and while reaching all sections of the community.

We at Clanton Park are especially fortunate to have benefited from Rabbi Yisroel Meir Rosenzweig. During his stay in our community, we have gained so much from his knowledge, his warmth and his eidelkeit. We wish him, Elisheva and Binyomin Nechemya much mazel on life's next stage.

Sincerely,

Rabbi Yehoshua Weber, Mora D'asra

The Executive
