We are fortunate to benefit from the YU Torah Mitzion Beit Midrash Zichron Dov's amazing work. Rabbi Torczyner's powerful Shabbatonim, in addition to a variety of Midreshet Yom Rishon and evening programs, have reached and inspired our community. Both the Beit Midrash Zichron Dov and the Albert and Temmy Latner Forest Hill Jewish Centre share the common goal of reaching Jews across the spectrum, and keeping the Toronto Jewish population engaged—and growing—in their Yiddishkeit.

In addition to the Beit Midrash's great work with adult education, we are aware of and inspired by the critical work that you do to keep our local college-age population stimulated and "plugged in" to Talmud Torah. This and other wonderful initiatives have impacted Toronto substantially since the Beit Midrash's arrival. May the Beit Midrash continue to be a bastion of Harbatsos Torah and a source of inspiration to the congregants of our Centre and the greater Jewish community.

Warmly,

Rabbi Elie Karfunkel
