בס"ד

On behalf of the Orthodox Union / Jewish Learning Initiative on Campus, and Hillel Ontario, we would like to be maker tov to Yeshiva University Torah MiTzion Beit Midrash Zichron Dov and the CFYU, for all they have done for our students over the past few years. We are grateful to be partners on so many unique and exciting initiatives such as the chaverim program and the women's Beit Midrash, in conjunction with Bnei Akiva Schools. These vital programs help ensure that young men and women have a *makom* Torah to continue their Torah learning and religious growth.

May Hashem continue to provide bracha and hatzlacha to all those that are involved in this incredible, unique and vital organization. We thank all of the avreichim throughout the years, its lay leaders, financial supporters, and a special thank you to its Rosh Beit Midrash Rabbi Mordechai Torczykner, for his breadth of Torah knowledge and friendship.

ברכה והצלחה בכל מעשי ידכם
